

# Accessing Learn from another tertiary institution

## What is Learn?

- Learn is the Learning Management System at the University of Canterbury (UC).
- It is the place to go for course information, teaching resources and communication.

## How can I access Learn?

- The Tuakiri system allows people from other tertiary institutions to access Learn using the username and password from their institution.
- Once you have logged onto Learn you can either be manually enrolled or use an enrolment key to access a course page.

## Logging in

1. Open a web browser and enter the address:  
**learn.canterbury.ac.nz**
2. On the right hand side, click on the:  
**log in via Tuakiri** link

3. Select your organisation from the list of options and click **Select**

### Select your Home Organisation
